

**IMMA Global Technick S.A**  
Steel Works Presentation

# IMMA Global Worldwide Presence & Group Companies

## **IMMA Global Group, Owned Companies:**

- **IMMA Global A.S.**
- **IMMA Global Spl**
- **TSL Spl**
- **IMMA Global LLC**
- **IMMA Global Technick SA**
- **FEZA Oil Ltd.**
- **Cosmo Engineering LP**
- **IMMA Maritime S.A.**
- **Micro Energy LLC USA**

## **IMMA Global Affiliates / Partnerships:**

GEX-IMMA – Burkina Faso  
ATLANTIC-IMMA – Cameroon  
Petro-Chemical Solutions Ltd – Azerbaijan  
Ozata Shipyard, Turkey  
Yeditepe Construction Ltd – Turkey  
Hedef Glass – Turkey  
Uzman Makina – Turkey  
Gurlesenyil Treyler - Turkey

## IMMA Global Group at a Glance

**IMMA Global Group** is a dedicated industrial organization to commit engineering / manufacturing / contracting and trading solutions worldwide:

### EPC for Mining & Processing

- Crude Oil Refining (Primary, Secondary & Turn-key)
- Mining Machinery: Crushing and screening equipment, concrete batching plants, turn-key open-pit mining solutions
- Trucks & Semi-Trailers: Mining construction, logistics and municipality purpose trucks, tractor heads and semi-trailers.
- Industrial buildings & facilities, warehouse and premises
- Steel works including automated parts (CNC's), piping, tanks, special purpose parts, custom designs for power generating units, facilities, production premises
- Laboring for welding, assembling, industrial engineering and at site works

### Construction

- Steel structures for residential and commercial buildings
- Real estate development
- Industrial buildings
- Light steel gauge houses and camps

### Shipbuilding

- Industrial ship-building
- Jack-up barges, accommodation barges, work barges, offshore rigs
- Custom boats for high speed, crew, pontoon, supply vessels

## Bases and Workshops

Equipped with specific machines, our workshops enable us to fully carry out all our productions, from research to execution, with the experience and skills already acquired by rigorously selected teams.

## IMMA Global Team

- High experienced and trained team
- Worldwide reputation
- Trained according to onshore and offshore norms,
- Flexible and practical solution provider team
- Solution oriented approach
- Welding, assembling, commissioning abilities
- Certificated skills

## Industries Servicing

- Onshore or offshore
- Oil and drilling
- Mining
- Construction
- Piping
- Industrial Projects

# IMMA Global Technick Solutions / Products

## Pipe Laying & Controls

## IMMA Global Technick Solutions / Products Surface Treatment (as per HSE Norms)

## IMMA Global Technick Solutions / Products

### Renovation & Refitting

### CNC Component Production Line

Any component and parts manufacturing including bolts, nuts, screws, tubes, connection parts, etc. made of **inox, brass, steel, aluminum, PTFE PVC and polymers ...**

## IMMA Global Technick Solutions / Products

### CNC Component Production Line

- ❑ **CNC –Milling:** optimal sizes: 8 – 200 mm for 4ax and 6ax, Maximum 1000x600x600 mm for 3ax milling
- ❑ **CNC- Turning:** from Ø5 mm till Ø270 mm
- ❑ **CNC- Turning and Milling with C axis:** till Ø270 mm.
- ❑ Surface treatments for machined parts are possible
- ❑ **3D – Measurements**
- ❑ **Design and CNC Programming using with CAD-CAM Systems**
- ❑ **Optimizing of machining process**

Our high qualified experienced personal and best suited machine park is grant for our quality.

**QUALITY ★ COST ★ FLEXIBILITY ★ RELIABILITY ★ JUST-IN-TIME DELIVERY**
