

PROFILE & PRODUCT RANGE

2023/01

IMMA Global AS as the parent company of IMMA Global Group, rooted since 1999, established in 2006 to produce mining machinery and equipment for crushing and screening equipment at the beginning. The progressive approach reasoned to design & produce follow-up machines using the years, starting from tipper trucks to jackup barges. Re-formed as a Turkish-Belgium JV in 2010 to enlarge the activities in manufacturing, worldwide distribution, contracting and solution providing for construction, mining, logistics, commodity and energy companies in the global markets to reduce costings and obtain flexibility.

As an EPC company, IMMA is dedicated for

- **engineering,**
- **progress** and
- **challenge;**

which helps to develop each unique product to be the source of R & D, step by step that is consequence of IMMA's experience and customer expectations.

IMMA is not only a manufacturer of mining machinery, concrete plants, heavy equipment, base camps, offshore vessels, truck body and semi-trailer; but also operates, assembles, uses and contracts those with a high experienced and skilled master teams for each area.

Currently been serving to Europe, Africa, Middle East and Central Asia via custom made standardized products with global partners / distributors.

Manufacturing

- Mining Machinery & Equipment
- Semi-trailers and Superstructure
- Over-head Cranes, Winches and Hoist
- Concrete Plants and Mixers
- Oil Refineries Setup and Revisions
- Steel Works, Cranes and Industrial Premises
- Tanks & Tank-farms
- Cryogenic Tanks and Facilities
- Shipbuilding for Offshore Construction & Energy Industries

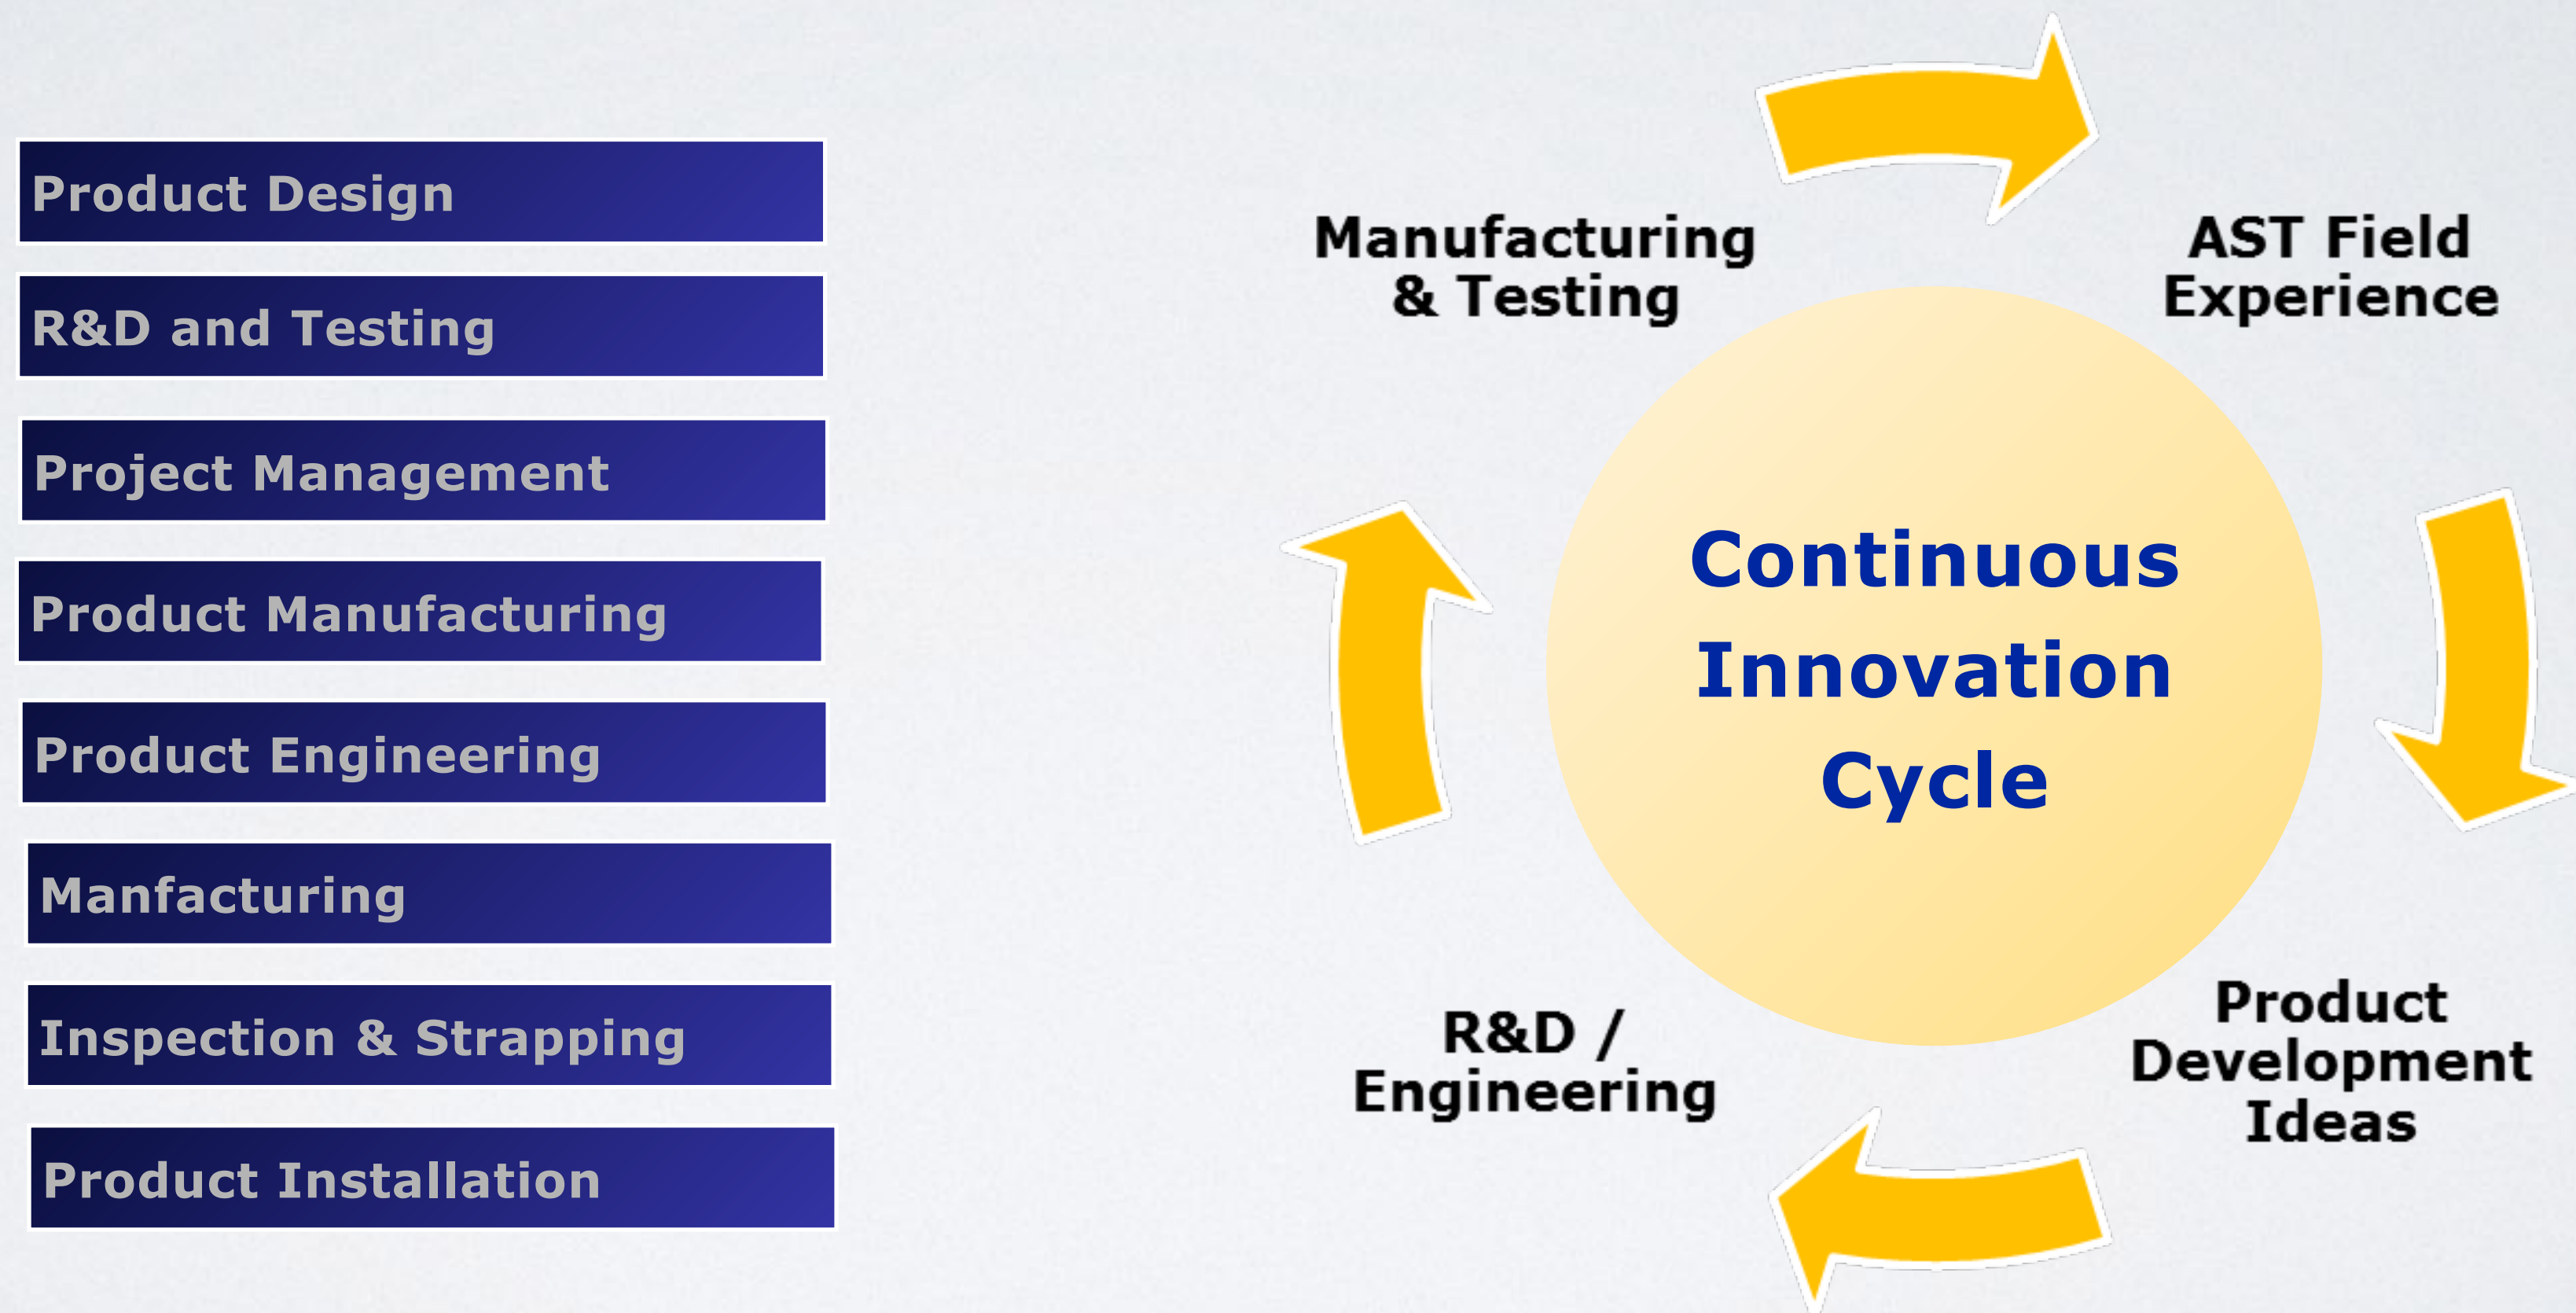

Contracting, Services & Supplies

- Aviation Parts & Services
- Construction Contracting
- Mining Processing
- Ship Brokerage
- Procurement Services
- Industrial Equipment Spare Parts

Vertically Integrated

Unique in the industry: IMMA Global provides custom built solutions with all aspects of tailor-made inquiries.

- Custom Contracting Projects and Equipment

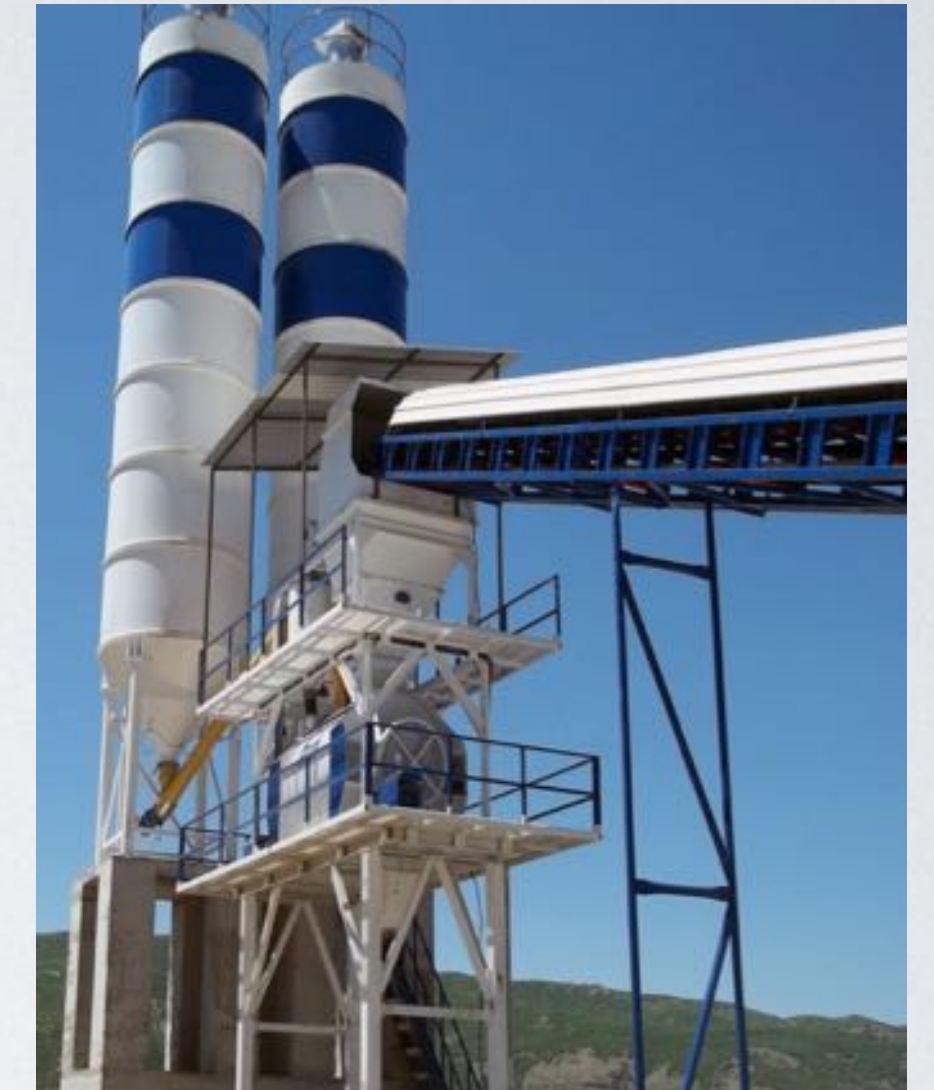

Crushing, Screening, Enriching, Dewatering, ...

- Complete Crushing & Screening Plants
- Primary, Secondary & Tertiary Crushers (Jaw, Cone, Impact, VSI, Sand, PDK)
- Wet, & Dry Screening Machines
- Special Purpose Micronized Screens
- Dewatering Screens
- Mobile & Stationary Units
- Pre-crushers
- Mining Field Operation & Management
- Enrichment Solutions for Chrome, Copper, Gold
- Oil Field & Quarry Operating & Services
- Auxiliary Equipment & Tools
- Worldwide Partners as Metso, Sandvik, TelSmith
- Complete Base Camps

Concrete Mixing, Batching, Placing, Pumping, ...

- Concrete Batching Plants
- Concrete Pump – Trailer Mounted
- Concrete Pump Boom – Truck Mounted
- Concrete Pump Boom – Trailer Mounted
- Concrete Placing Boom - “Self Climbing”
- Concrete Placing Boom - “Spider”
- Concrete Mixer Truck
- Concrete Mixer Semi-trailer
- Cement Silo Semi-trailer
- Concrete Mortar Trailer

Gantry, S/D Girder, Jibs, Lifts and more ...

- Single and Double Girder Cranes
- Jib Cranes (Wall, Pillar, Full Rotating, Removable, Marine)
- Gantry Cranes
- Tripods
- Spreader Beams
- Hoists And Trolleys
- Removable Jib Crane
- Heavy-duty Cargo Lifts
- Marine Cranes
- Mobile Crane and Lifting Solutions

Truck, Tractor Head, Truck Body, Trailer & Semi-Trailers

Trucks & tractor heads with various body and semi-trailers of

- ◆ Tipper/Dumper
- ◆ Concrete Mixers
- ◆ Tankers (Water, Fuel-oil, Diesel, Sewage)
- ◆ Lowbed / low-loader (Front & rear loading up to 120tons)
- ◆ Box Body with/without fridge
- ◆ Garbage / Compactor
- ◆ Crane Body
- ◆ Cement Silo Semi-Trailers
- ◆ Flatbed (Multipurpose for container, timber and dry good)
- ◆ Cryogenic Semi-trailers (LNG, LPG, CO2, NOX, LIN, etc.)
- ◆ Personnel Carrier Truck Body
- ◆ Workshop truck Body
- ◆ Any other custom requested

Engineering, Procurement, Manufacturing

- Onshore or Offshore Steel Works
- Oil and drilling rigs
- Hydraulic Components
- Towers & Cranes
- Self Propelled Multi-wheel Transporters -SPMT 450 tons
- Industrial Ex-Proof Hangars
- Base Camps and Components
- Doors, Windows, Gates, Poles, Rigs
- Accommodation Modules
- Piping
- Heavy & Light Industrial Projects

Tanks, Tank Farms, Filling & Stations

- Cryogenic Tanks & Trailers for cryogenic truck body & semi-trailers for CO₂, LNG, LPG, LNX, NOX,
- Regasification Stations
- Stationary & Bulk Cryogenic Tanks for REGAS & Filling Stations
- Cryogenic Skid Containers and Filling Stations
- Turn-Key Projects for Regasification / Distribution / Storage
- Power Generating: LNG Power Plants
- Liquid Or Gas Tanks And Tank Farms
- Hi-pressure Tanks
- Terminals
- Loading Ports And Dolphins
- Repair & Maintenance
- Onshore/Offshore Or Turn-key Projects

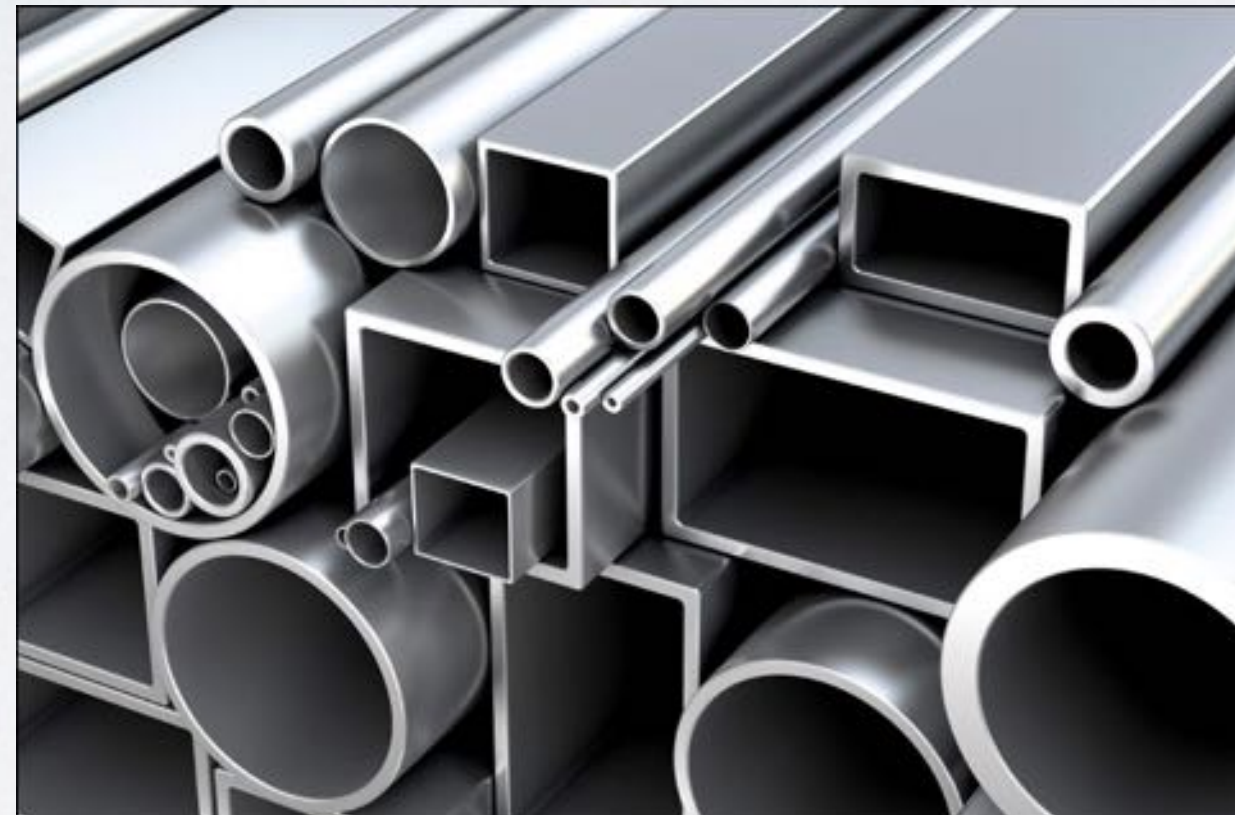

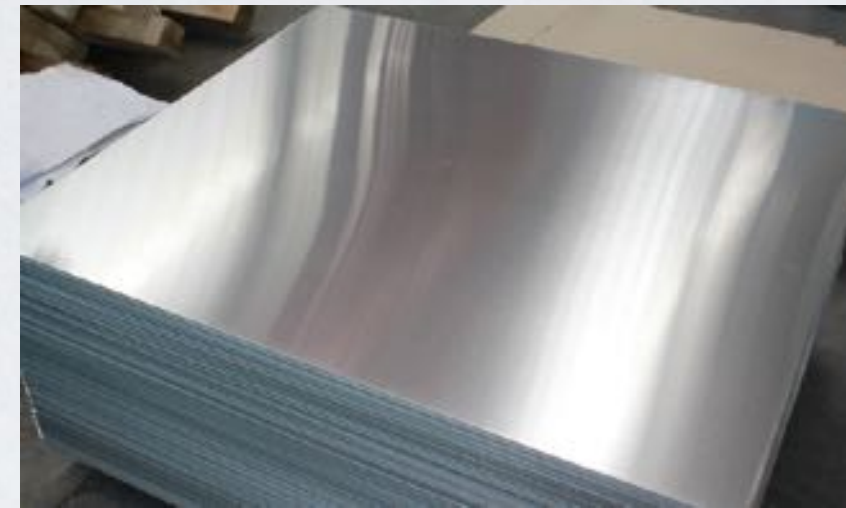

Offshore Industrial Shipbuilding & Repairs

- Jack-Up Barges
- Modular Barges
- Accommodation Barges
- Accommodation Units
- Flat-Deck Barges
- Dredging Barges
- Multi-Cat / Push Boats
- Tugboats, Crew Boats And High-Speed Boats
- Rib - Inflatable Boats
- Patrol Boats
- Multi-Function Dredgers
- ISO Container
- Complete Furnishing & Refitting
- Carbon Composite And Aluminum Shipbuilding Abilities
- Larger then 10.000 m² Shipyard

- Full range of welding, bending, benching capabilities
- Inox (Stainless steel), carbon, aluminum materials services as cutting bending, forming
- CNC cutting/bending/welding abilities
- Custom design, projects and contracting
- Qualified & certified solutions
